Join the HMS Genome Engineering (GE) Journal Club

*Open to all
Longwood
area
researchers*

**Free
Pizza**

Mondays 12:30-1:30 pm
354 New Research Building

Who are we?

Researchers at HMS (Post-docs, grad students, technicians, PIs, etc).

What do we talk about?

Genome engineering/gene editing - new methods, ethical concerns, etc.

Why are we doing this?

To stay up to date on recent techniques, stimulate critical discussions, establish contacts for collaboration

Join the mailing list or see the schedule at:
